Subject: Haystack No. 1 AUM - New homesite Lease Locations
Attachments: Relocation Areas3.pdf

Good afternoon,

Please find attached a figure depicting the new homesite locations for the Ex. 6 Personal Privacy (PP) BNSF approves these locations. As we discussed on our call today, we would like USEPA approval (email is ok) of the locations prior to finalizing the relocation package and submitting these new surveys to the BIA for the homesite applications.

If you have any concerns or questions, please let us know as soon as possible.

Thanks
Ali
